

Curriculum vitae

PERSONAL DATA ADDRESS

Péter Lévy	Department of Theoretical Physics
Born:21.12.1961	Budapest University of Technology and Economics
Birthplace:Kaposvár	Budafoki út 8
Citizenship:Hungarian	H1111 Budapest, Hungary
married:3 children	Office phone:+36(1)463-4128
	E-mail:levay@phy.bme.hu

EDUCATION

1986 M.Sc. Degree in Physics, Roland Eotvos University (ELTE)
 1991 Ph.D Degree in Theoretical Physics, Roland Eotvos University (ELTE)

EMPLOYMENT

1986-1999 Research fellow at the Quantum Research Group and later at the Department of Theoretical Physics, Institute of Physics, Technical University of Budapest

1992-1993 Royal Society postdoctoral fellow at the University of Bristol (working with Prof. Sir Michael Berry)

1998 ENEA fellowship in Bologna (working with Alberto Ventura)

2000-2001 Visiting academic at the University of Melbourne (working with Prof. Ken Amos)

2001- Senior research associate at the Department of Theoretical Physics, BME

2003 Ethel Raybould Fellow at the Department of Mathematics of the University of Queensland Brisbane (working with Prof. Anthony Bracken)

2009 Member of the International ZIF Cooperation Group at the University of Bielefeld. (working with Hans Havlicek, Michel Planat, Metod Saniga and Petr Pracna)

2013 Participating in the Research in Pairs (RIP) program at the Mathematisches Forschungsinstitute at Oberwolfach (working with Metod Saniga and Michel Planat)

HONOURS, FELLOWSHIPS

1992 Royal Society fellowship, Bristol, UK

1998 ENEA fellowship, Bologna, Italy

1999 Bolyai Research Grant

2003 Raybould fellowship, Brisbane, Australia

2010 Novobáztzy Károly prize
